OLD CITIZEN PASSES AWAY

DENNIS COLEMAN DIED VERY SUDDENLY AT ST. MARY'S INFIRMARY YESTERDAY AFTERNOON.

Dennis Coleman, aged 80 years, died very suddenly yesterday afternoon at 1:15 o'clock at St. Mary's infirmary after an illness of several days.

The deceased had been suffering for some time with ailments due to old age and his life had been despaired of for several days. Yesterday he seemed stronger than usual, however, and was able to help himself and moved with more freedom than usual. At noon time he took more nourishment than was his wont and appeared much better. It was only a rally before the coming of the end as he passed away at 1:15 o'clock. His death was due to heart failure.

The deceased was 80 years old and had lived in Cairo forty-six years. He was born in Ireland and came to the United States when quite young. He is survived by three children, Mrs. M. E. Felt and John Coleman of this city, and Mrs. John F. Watkins of Mt. Carmel, Ill., who is at present in this city. Arrangements have not been completed for the funeral, but it will probably be held Saturday afternoon at St. Patrick's church.

The bridge work is progressing nicely. The floor beams are all in place and quite a showing has been made in the way of raising the huge pieces of steel. The false work between piers 4 and 5 has been completed. The steel for the west approach will be hoisted by derrick from barges in the river because the Patterson Construction company are behind with the cement work on the west approach.—Thebes Record.
